3. Trade

Acquisition and sale of individual works

- Authenticity, rarity, condition and provenance are the significant price forming factors on the art market. We evaluate the value of the respective art or cultural assets
- We evaluate market opportunities for the acquisition or sale of artworks or cultural goods
- We connect you with established art dealers, gallerists and auction houses
- We advise and accompany you or represent you at negotiations
- We negotiate, compose and reappraise the contracts concerning acquisition and sale
- We assist you in the systematic composition of a collection

4. Inheritance

- Inventory and value assessment of the art and artefacts of estates
- Distribution of the art and cultural goods between the future heirs according to the testament, marriage, concubinage, testamentary or donation contract
- Mediation
- Conservation of collections and, if applicable, establishment of a foundation
